## Everything you need to know about the Crowd Control system - Black Belt Option

- The belt posts have a contemporary matt black finish and include a 2300mm retractable belt - they are not sold separately
- A solid metal base ensures the system is stable and rubber pads protect floors
- A clever adapter on top of post allows for black belt connections in four directions to allow for various queuing set ups
- Belt posts are flat packed and quick and easy to assemble
- We offer two great signage options (A4 portrait or A3 landscape) to guide and inform customers and patrons with ease
- The Belt posts cannot be used with our Black Rope products
- The Black Belt Option is quick and simple to use and comprised of only three products. See below...
